VISITORS WELCOME! It is a joy to have you with us in worship today. We hope that the service blesses you as much as you have blessed us this morning. Let us become acquainted with you in the courtyard after worship. If you are a first-time visitor, please stop by the visitor booth and receive a gift from our church.

THE CHANCEL FLOWERS are given to the glory of God and in memory of Frank and Dorothy Stagge by Bonnie Koehler and family.

THE YELLOW ROSE ON THE BAPTISMAL FONT celebrates the birth of Logan John Carl Talmich, son of Jamye and Kaylee Talmich; grandson of Lauri Webb, and great grand-son of Jane Webb. Logan John Carl Talmich was born July 24th.

Each Sunday, we include names of individuals who are unable to attend church due to health reasons. Long-term shut-ins or those needing TLC (tender loving care) are listed on a rotating basis each week. We also include those facing hospitalization or who are in the hospital or hospice (H) or rehab (R). We ask that you take this list home and pray for these individuals every day.

DISCOVERING YOUR CHURCH'S NEXT STEP: As part of our congregational discernment looking at, as a congregation, who we are, who we aspire to be, and what are we looking for in a new pastor, the Mission Study Committee invites you to participate in a seminar led by Rev. Dr. Neal Nybo entitled "Discovering Your Church's Next Step." The seminar will be held at the Church, Saturday, September 9, from 8:30 until 1:00. Lunch will be provided and there will be no cost. Look for signups in the coming weeks.

Rev. Dr. Nybo recently retired as the Senior Pastor at Rancho Bernardo Community Presbyterian Church, where he developed this program. As he describes it, "The activity moves back and forth from individual thought time to table discussions to whole group interactions. People write their own answers then tables come to consensus then all answers are posted on a wall. Participants, facilitators or leaders, find natural groupings or patterns of answers. For example, there could be several answers related to serving in leadership and several about recent programs or initiatives. There may be answers related to activities far in the past. All these are helpful. These groupings become the answers on which participants will focus. The same process of synthesis is repeated for each of the reflection questions. Everyone is involved. All are heard."

In preparation for this seminar, Rev. Dr. Nybo will preach Sunday, August 27th. Please come and listen as he prepares the congregation for a very insightful and contemplative journey September 9th.
