Webster defines a tithe as a "tenth part of something paid as a voluntary contribution or as a tax especially for the support of a religious establishment." In our church we do not tax people, but we understand the tithe to be the way that we return to God a portion (10%) of what He has given us.

"Honor the Lord with your wealth, with the first fruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine." (Proverbs 3:9-10)
